

**UTILITY PERMIT APPLICATION**

This is a Utility Permit Application for telecommunications, electric, gas, water and sewer utilities. The applicant agrees to comply with the following permit requirements. The County reserves the right to inspect and approve any construction work performed within its right-of-way as it relates to the condition of the highway: compliance shall be determined by the sole discretion of the County Engineer. These requirements shall apply unless waived in writing, due to unique local conditions, by the County Engineer prior to installation: and such waiver shall be attached to the permit. This permit is not intended to conflict with any utility owner's rights or duties mandated in Chapters 388, 390, 474, 476, 476A, 477, 478, 479, 479A, and 480 or by the Iowa Utility Board or other state or federal regulations.

Brief Description (type facility, location) \_\_\_\_\_

1. Location Plan. An applicant shall file a completed location plan as an attachment to this Utility Permit Application. The location plan shall set forth the location of the proposed line on the secondary road system and include a description of the proposed installation.
2. Notice to Proceed. At least two (2) working days prior to the proposed installation an applicant shall file with the County Engineer a notice stating the time, date, location, and nature of the proposed installation.
3. Inspection. The County Engineer may provide an inspector during the installation of all lines to insure compliance with this Utility Permit. The inspection shall be limited to any construction work performed within the right-of-way as it relates to the condition of the right-of-way: the utility facility owner shall provide reasonable cooperation.
4. Inspection Fee. Upon approval by the Board of Supervisors, the Utility Permit will be issued by the County Engineer. The applicant shall pay the actual costs attributable to the installation inspection, if any, conducted by the County Engineer and/or his/her staff. Upon completion of the installation, the County Engineer shall provide a statement for services rendered to the applicant.
5. Requirements. The applicant shall meet the following requirements:
  - A. Construction signing shall comply with the Manual on Uniform Traffic Control Devices.
